

# RECORDING PRICE

The rate for recording is **\$45.00 per hour**. This includes preparing a track to make it “mix ready”, (recording, comping, pitch correction, etc)

# MIXING PRICE

- **\$299 USD** – For most mixing projects with up to 48 tracks
- **\$399 USD** – For projects that have more than 48 tracks

## TERMS & CONDITIONS

- Above prices are **per song**. Discounts may be given for the mixing of multiple songs, or a full album project.
- Price includes up to 2 sets of revisions. I will send you a mixed track with a Tradewind Studios “watermark” to listen to for your approval, and you can make note of any changes you require.
- Additional revisions are \$25 each.
- **Pricing assumes that all tracks are sent fully mix ready!**
- If recorded at a studio other than Tradewinds, any tuning, editing, or clean up of extraneous noises or unwanted audio is done at a rate of \$45.00 per hour.
- **A 50% deposit is required before any mixing work is begun.**
- **High resolution final files with no “watermark” are delivered only after the remaining balance is paid.**

# MASTERING

- “Quick mastered” versions of the mix are provided so that you can hear what the mix might sound like once mastered to current industry loudness levels.
- Real mastering can be added for \$25.00 per song (this is a huge discount, as fully mixed tracks sent from other studios will be mastered at \$70.00 each.)
